

## ▶ Daily training rate price list 2018 ◀

At ProTec Dive Centers we believe in training rates with no hidden costs.

In our daily training rates, **we include:**

- ▶ Climate controlled multimedia classrooms
- ▶ Transport from the dive center to the dive site and return
- ▶ Cenote entrance fees (up to US\$50)
- ▶ Specialty equipment (with the exception of DPV's and Rebreathers) and tanks
- ▶ Gases (Air, Nitrox 32% and O2 for Rebreather related programs)
- ▶ Daily fresh CO<sub>2</sub> absorbent for Rebreather related programs

In our daily training rates, **we do not include:**

- ▶ Basic diving gear you need to bring is thermal protection, fins, mask and dive computer
- ▶ Training manuals (prices are between US\$26 and US\$150 depending on training level)
- ▶ Diver registration fee with training agency is US\$45 per diver per level
- ▶ Helium based mixes (see separate price list for standard mixes we use for training)
- ▶ Boat rental from Tulum, Playa Del Carmen, Cozumel or Puerto Morelos are US\$100 per day
- ▶ Rebreathers, variety of models available at a rental fee of US\$100 day
- ▶ DPV Scooter rental US\$50 per day. During Adv. DPV course 2nd DPV rental 50% off

**Any diving programs below, labeled as workshops do not include a certification.**

At ProTec Dive Centers, we do not teach one on one courses in which the instructor is also the student's buddy. If a second student is not booked into your course, ProTec will provide a training partner, the fee is US\$60 per training day.

Training with a partner is extremely beneficial. If you do not have a partner, we will do our best to pair you with an already scheduled course to avoid the additional fee.
